<<At Bertrams Hotel伯特>>

内容概要

作者简介

Agatha Christie was born in Torquay in 1890 and became, quite simply, the best-selling novelist in history. Her first novel, *The Mysterious Affair at Styles*, written towards the end of the First World War, introduced us to Hercule Poirot, who was to become the most popular detective in crime fiction since Sherlock Holmes. She is known throughout the world as the Queen of Crime. Her books have sold over a billion copies in the English language and another billion in over 100 foreign languages. She is the author of 80 crime novels and short story collections, 19 plays, and six novels under the name of Mary Westmacott

'One of the author's very best productions, with splendid pace, bright lines.' Saturday Review of Literature 'A joy to read from beginning to end, especially in its acute sensitivity to the contrasts between this era and that of Miss Marple's youth.' New York Times 'Miss Christie's pearly talent for dealing with all the words and poms that go with murder English-style shimmers steadily in this tale of the noisy woe that shatters the extremely expensive peace of Bertram's famously old-fashioned hotel.' New Yorker
