<<Inside Outside Upsid>>

内容概要

A new edition of the classic illustrated storybook, ideal for sharing with your child. An ever-popular Berenstain Bears story. Toddlers and young children will immediately identify with the small bear who crawls inside a box. His epic adventure is created from a vocabulary of only 23 words. This Beginner Book boasts a bright new cover that incorporates guidance on reading levels. Classified as a Blue Back Book, it is suitable for parents to share with young children. Perfect for giving children confidence and make them want to go on reading.
