## <<自学汉语入门>>

### 内容概要

Are you new to language learning? Do you want lots of practice and examples? Do you want to improve your confidence to speak? Beginner ' s Chinese is written for the complete beginner who wants to move at a steady pace and have lots of opportunity to practise. The grammar is explained clearly and does not assume that you have studied a language before. You will learn everything you need get the most out of a holiday or to go on to further study. Elizabeth Scurfield is a former member of the Chinese Department at the university of Westminster ,London. Song Liangyi teaches chinese at the School of Oriental and Africna Studies,London.
