内容概要

When her uncle arranges a surprise summer internship at a hot film development company, Samantha Rose is not pleased. Sam's a vintage chic, East Coast trans-plant who would so rather be reading Virginia Woolf than Variety--not the tinseltown type. From her spoiled cousin to the backstabbing staffers at "Authentic Pictures," everything about L.A. feels fake. And, although smart, self-protective Sam is loathe to admit it, it's all a little intimidating. Can this girl in development survive being thrust into the spotlight and realize her very own Hollywood ending, or will the summer be a tragedy of epic proportions, packed with poseurs, party girls, and betrayal?

作者简介： JORDAN ROTER was born and raised in New York City. After studying English and American literature at Brown University, she moved to Los Angeles to work in film development and production. She is currently writing her second novel. Visit the author online at www.JordanRoter.com.
