## <<Moon Rabbit 月亮兔>>

### 内容概要

Little Rabbit likes living in the city. There are so many things to see and do! But at night, when she is all alone, she looks up at the moon and begins to wonder. Could there be someone out there? Another little rabbit just like her? Then one night Little Rabbit meets Brown Rabbit in the park, and he's just the friend she's been wishing for. He likes to play music and she likes to tell stories: together they make the perfect team. But how long before the bright lights are calling Little Rabbit back to the city? This is an unforgettable story with stunning illustrations throughout.
