内容概要

“ Ben Sherwood is an amazing writer with the rare gift of evoking genuine emotion. The Death and Life of Charlie St. Cloud is touching, wise, and full of hope, everything a wonderful novel should be. Read it – you ’ ll be glad you did. ”

--Nicholas Sparks, bestselling author

“ The Death and Life of Charlie St. Cloud is one of the most magical love stories I've ever read. In his wonderfully inventive way, Ben Sherwood has written a shining affirmation of life. ”

-- Sue Monk Kidd, author of The Secret Life of Bees

"Loved it, loved it, loved it!! Refreshingly romantic, dangerously good fun, hugely addictive. All too infrequently I pick up a book that is a pure pleasure to read....Intelligent, moving, and sweetly wise, Ben Sherwood is all set to find his way into the soft heart of American literature."

--Joanne Harris, author of Chocolat

"Sweet and inspirational.... [with] humor all his own."

--The Daily News (NY)
