内容概要

There's one last chance to save the world in the third book in the Maximum Ride series, SAVING THE WORLD AND OTHER EXTREME SPORTS. The time has arrived for Max and her winged "flock" to face their ultimate enemy and discover their original purpose: to defeat the takeover of "Re-evolution"--a sinister experiment to re-engineer a select population into a scientifically superior master race...and to terminate the rest. Max, Fang, Iggy, Nudge, Gasman, and Angel have always worked together to defeat the forces working against them--but can they save the world when they are torn apart, living in hiding and captivity, halfway across the globe from one another?
