<<富爸爸忠告>>

内容概要

This book is dedicated to my wonderful wife, Laura, and my high-spirited boys, Kyle and Kade. Thank you all for your constant support and understanding as this book was being written. I would like to thank Kathy Heasley, who was instrumental in extracting fifteen years of my investment real estate and property management knowledge and wonderfully organizing it into each chapter of this book (www.imsbreakthrough.com). Special thanks are also extended to Robert and Kim Kiyosaki and to Sharon Lechter for allowing me to participate as a Rich Dad's Advisor, and of course to my partner, Ross McCallister, for never saying anything other than encouraging words as I took on this venture.
