<<Cupid, Inc. (平装)>>

内容概要

It's not easy to fall in love-especially in Sin City. Nobody knows this better than Greek deities Psyche and Eros, who keep a watchful eye on the mortals in Las Vegas. With a little divine intervention from Aphrodite and the rest of the gods and goddesses, Psyche and Eros set out to fulfill the sexual fantasies of their clients, hoping to turn lust into love.

<<Cupid, Inc. (平装)>>

#### 作者简介

Michele Bardsley lives with her husband, their two children, and Her Highnesses Isis and Cleopatra, two of the most spoiled Bengal cats on the planet.
