## <<Lightroom workflow>>

### 内容概要

Get the most out of Lightroom with Tim Grey as your guide by reducing the time and effort you spend storing, selecting, and editing your digital images. Adobe ' s new Lightroom software, together with this practical guide, explains everything from importing and cataloguing to processing and archiving. Whether you ' re a professional photographer or advanced amateur, you ' ll find ways to work efficiently with Lightroom in order to improve your productivity and get the results you want.
