<<解梦 Dream Dictionary F>>

内容概要

You probably recognize a connection between the dream world and the "real" world, but did you know you can actually do things to nurture your dream life? This fun and fascinating guide shows you not only how to decode your dreams, but how to remember them and even how to make a dream work for you. Discover how to:

Recognize your dream cycles      Increase your ability to remember your dreams      Keep and use a dream diary      Notice your waking dreams      Focus your dreams to solve problems or make decisions.
