## <<Second Life指南Second >>

### 内容概要

Second Life For Dummies tells you just what you need to know and nothing you don't to create another you in this 3-D online world. From downloading the software and creating your first free account to constructing a home and building a Second Life (SL) business, this handy guide is the Second Life users' manual that you wish you had for your first life. With this guide, you can discover how to:

Get around after you leave Orientation Island
Customize your avatar to get the look you want
Exchange real-world dollars for Linden dollars, and vice versa
Manage your SL finances and make purchases
Meet the folks you want to meet and deflect those you don't
Develop an SL home base for yourself
Create the world you want to live in by literally designing and building the things you want -- from clothing and art pieces to vehicles and furniture.
