<<Frommer 's France 20>>

内容概要

Completely updated every year (unlike most of the competition), Frommer's France features gorgeous color photos of the chateaux, cathedrals, vineyards, villages, and gorgeous countryside vistas that await you. Much more detailed and comprehensive than the major competition, this is simply the most reliable and in-depth guide you can buy. It's personally researched and full of candid opinions. Our authors have chosen the very best places to stay, from the grand hotels of Paris and the chic beach resorts of the Riviera to charming and affordable guesthouses in every provincial town. And of course, we'll make sure that you dine memorably throughout France, whether you're splurging on a world-class restaurant in Paris or looking for a little-known neighborhood bistro that serves all the classics. Wherever you go, you'll rely on Frommer's for authoritative but fun-to-use coverage of all the historic, artistic, and cultural treasures. You'll get a complete shopper's guide, the latest trip-planning advice on everything from bargain airfares to rail passes, and a complete shopper's guide. Frommer's France even features a color fold-out map and map of the Paris Metro!
