## 内容概要

Generally, leadership is about influencing people to make big things happen. Management is a process of organizing people to get things done. They are different skills, but equally critical to success in today ' s workplace. The key is to know which approach works best in which situation. Written in a clear, simple style, Self-Coaching Leadership redefines and demystifies the journey to leadership. Angus McLeod ' s no-nonsense thinking, straightforward approach and practical tools enable readers to more easily identify when a leader is needed - and coach themselves toward improved influence, performance and effectiveness. 作者简介 : ANGUS MCLEOD PhD is a renowned and well respected coach and author of Performance Coaching: The Handbook for Managers, HR Professional and Coaches (2003), Me, Myself, My Team: How to Become an Effective Team Player Using NLP (2000) and numerous journals articles. Angus continues to influence the coaching profession through his on-line mentoring service 'Ask Max' and leadership of The Coaching Foundation, an organization that offers career development opportunities to professional coaches. He is a competitive rower, an advanced trainer in motorcycling and a passionate cook. For more information please contact ourinfo@angusmcleod.com
