<<CFO Guide to Doing B>>

内容概要

CFO Guide to Doing Business in China has gathered all the important aspects based on the author's personal experiences as a CFO, a financial consultant, an entrepreneur and also a successful businessman in China for over a decade. It is not only a Guide for CFOs of foreign companies in China, but also a practical book for investors who want to do or are already doing business in China. Although the book focuses on financial, accounting, taxation, and auditing aspects, it also gives tips to newcomers on how to be more effective when doing business in China. The coverage includes the understanding of Chinese culture, managing and dealing with the Chinese people, strategies to expand your business in China. Practical contents based on real cases to help businesses get started and navigate the intricacies of China's accounting system, taxation issues, currency controls, risk management, outsourcing, people management, employment issues, mergers and acquisitions.
