<<HOME BUYING FOR DUMM>>

内容概要

在线阅读本书

Though fun and exciting, buying a home can also be complicated and confusing—and most people learn the hard way that a wrong move can cost dearly. In order to find the perfect home at the best price, you must have skill, foresight, and a little guidance from experienced professionals. Home Buying for Dummies, Third Edition provides just that! Packed with invaluable advice in an objective, down-to-earth style that will have you sitting in your dream home in no time, this friendly guide contains everything you need to know to play the home buying game. It has the tools you need to:

- Improve your credit score and select a mortgage
- Choose a time and place to buy
- Determine the price you want to pay
- Assemble an all-star real estate team
- Make use of the wonderful world of the Internet
- Negotiate your best deal
- Inspect and protect your home
- Handle and become responsible for the title
- Cope with buyer's remorse

Featured in this guide are tips and tricks on things you should do after you seal the deal, as well as things you ought to know about real estate investing. Also included is advice on how to sell your house, as well as a sample real estate purchase contract and a good inspection report. Don't get chewed up by the real estate market—Home Buying for Dummies, Third Edition will lead you to the home you want!

<<HOME BUYING FOR DUMM>>

作者简介

Ray Brown, a real estate professional for more than 30 years, hosts a real estate radio show in San Francisco.

编辑推荐

Amazon.com This may be the best comprehensive guide for home buyers. Home Buying for Dummies is coauthored by Eric Tyson, author of several other books in the For Dummies series, and Ray Brown, a long-time real estate professional. Like other books in the series, this one is an easy and even entertaining read. But it does not gloss over details in pursuit of simplicity. Home Buying for Dummies covers all the bases, providing clear explanations and reasonable judgments on how to select a mortgage, hire a real estate agent, find the right house, and negotiate a good deal. The book goes further than most in providing helpful, specific information. For example, in discussing ways to save money for a future down payment, Home Buying for Dummies even includes the phone numbers for various mutual funds appropriate to different investment time frames. --Barry Mitzman
