<<Language in Late Mod>>

内容概要

Also of interest in this series:　Communication in Medical Care　Communication between doctors and patients EDITED BY JOHN HERITAGE AND DOUGLAS W. MAYNARD　This'pathbreaking volume provides a comprehensive discussion of communication between doctors and patients in primary care consultations. The first of its kind for thirty years, it brings together a team of leading contributors fromthe fields of linguistics, sociology and medicine to describe each phase of'the primary care consultation, identifying the distinctive tasks, goals and activities that make up each phase of primary care as social interaction. Clear and comprehensive, it will be essential reading for students and researchers in sociolinguistics, communication studies, sociology and medicine.　作者简介：　Ben Rampton is Professor of Applied and Sociolinguistics at Kings College London.
