<<跃进英文词典 Vocabulary - B>>

内容概要

This collection of more than 100 jokes and riddles will have kids chuckling their way to bigger, better vocabularies! Each joke or riddle highlights a word in a way that helps families remember its meaning. It all adds up to making new words stick--and helping families discover the fun in expanding their vocabularies! Word Advantage provides an integrated approach to developing your child's vocabulary and turns word knowledge into family fun! Each step of the program offers the opportunity to learn and use new words in a variety of contexts. Use this joke and riddle book to enrich the reading experience of the Word Advantage elements: Time Flies™ books Audio CDs with read-aloud stories and sing-along songs Board game and word-of-the-day game Interactive vocabulary practice pages Cloverhill map and stickers
