<<OTHER WIND HC 地海奇风>>

内容概要

The archipelago of Earthsea is in turmoil. The dragons are breaking old truces, and even the dead threaten to return from the afterlife, using the sorcerer Alder's dreams as a conduit. Alder seeks advice from Ged, once Archmage. It's decided that the threat can only be confronted on the holy isle of Roke. In this magnificent grand finale to the Earthsea Cycle, Le Guin ties up many loose ends from her previous novels and brings back favorite characters to the delight of her fans.

作者简介

Ursula K. Le Guin is one of the most distinguished fantasy and science fiction writers of all time. She has won numerous awards for her work, including the Nebula Award, the Hugo Award, the National Book Award, and the Newbery Honor. She lives in Portland, Oregon.
