#### 内容概要

When five little monkeys ask for something to do, cleaning the house for Grandma Bessie's visit isn't exactly what they had in mind. But leave it to these mischievous monkeys to find a way to make housework fun...and messy Here is another popular Five Little Monkeys story, available for the first time in a bilingual board book edition. Now Spanish- and English-speaking readers can enjoy the lighthearted antics of these lovable monkeys while learning the words of the familiar tale in both languages.
