<<Blue's Bubbly Tub (浴)>>

内容概要

That cuddly chromatic pup of the television series Blue's Clues is at it again--this time Blue is taking a splash in the bath! And while she's soaping up and sudsing off the dirt, little ones will learn some basic hygiene, anatomy lessons, and a bit about numbers. "Will you help Blue shampoo her two... (Blue's ears poke up out of the suds)? And scrub her two front... (two dirty paws hang over the edge of the tub)?" This puffy plastic book is perfect for your favorite youngster's bathtime--especially as the whole thing is waterproof! (Baby to preschool)
