<<Tell the Time (螺旋装帧)>>

内容概要

The Ladybird Learning at Home range has been specially devised to help children develop and practice at home the skills they will need at school. "Tell the Time" introduces children to the basics of how to tell the time. Featuring entertaining exercises and colorful illustrations, this book will help your child practice hand-eye movement, sequencing, counting, matching and looking for detail - all of which are essential pre-school and pre-reading skills.
