<<轻松医疗保险>>

内容概要

This combination textbook and workbook, explains each phase of the medical claim cycle, from the time the patient calls for an appointment until the financial transaction for the encounter is completed. Coverage includes types of insurance payers, basic coding and billing rules, and standard requirements for outpatient billing using the CMS-1500 claim form. It also emphasizes legal aspects related to each level of the medical claim cycle and the importance of the medical office employee, showing their responsibility for and impact on successful reimbursement.
