<<生而为女人的1003件重要的事100>>

内容概要

It's great to be a woman . . . most of the time. Lisa Birnbach, Ann Hodgman, and Patty Marx have come up with 1,003 hilarious reasons why it's great all of the time. Pantyhose, high heels, lipstick, maxi pads, chocolate-all things feminine are covered. These three witty and wise women have delivered yet another hysterical list of 1,003 great things. Each writer has a unique (and much appreciated) take on being a modern-day woman. After all, today's females need to be tough, talented multitaskers with an amazing sense of humor-and that's just to compete with the males in grade school!
