<<Harry Potter and the>>

内容概要

Dumbledore lowered his hands and surveyed Harry through his half-moon glasses. 'It is time,' he said, 'for me to tell you what I should have told you five years ago, Harry. Please sit down. I am going to tell you everything.' Harry Potter is due to start his fifth year at Hogwarts School of Witchcraft and Wizardry. He is desperate to get back to school and find out why his friends Ron and Hermione have been so secretive all summer. However, what Harry is about to discover in his new year at Hogwarts will turn his whole world upside down...But before he even gets to school, Harry has an unexpected and frightening encounter with two Dementors, has to face a court hearing at the Ministry of Magic and has been escorted on a night-time broomstick ride to the secret headquarters of a mysterious group called 'The Order of the Phoenix'. And that is just the start. This is a gripping and electrifying novel, full of suspense, secrets, and - of course - magic.
