<<Q&A Oceans问与答>>

内容概要

Full of fascinating facts and quirky questions, this great series has something for everyone. Great to dip into, to use for homework or to browse through, this wonderfully collectable series has something for every inquisitive child. "Oceans and Rivers" is part of the comprehensive "Questions and Answers" series. It asks questions such as: where is the world's highest waterfall?; why are icebergs made of fresh water?; which lake is the biggest?; what is a "black smoker"?; and where is the deepest part of the ocean?

Key Features: Packed full of fun and fascinating questions and answers Lively, informative text will entertain young readers Fresh, appealing design

Part of a comprehensive question and answer series Series has four topic strands - Animals, Universe, Science and the Human World - each with four titles
