内容概要

This inspiring collection is for the 50 million American women who are finding renewed joy, passion and meaning in their lives. Demi Moore's doing it. Oprah's doing it. Joan Lunden's doing it. These are just a few of the 50 million American women who are celebrating the prime of their lives by redefining themselves. This feel-good book celebrates the growing sisterhood of women who are embracing life, realizing that the best years are ahead of them. Chapters include: On Adventure, Treasuring Friendship, On Romance, Overcoming Obstacles, On Wisdom, On Parenting, On Spirituality, and Across Generations.
