内容概要

Book Description

Come along with Frommer's and discover two of Asia's most intriguing destinations. Our author has scoured every inch of this region, and she'll share her cultural insights and favorite discoveries with you. Her guide is much more complete and in-depth than its major competitor.

In Singapore, you'll find the best places to stay, from high-tech business hotels to affordable finds, plus an amazing array of dining choices. Follow our author's fantastic walking tours, which introduce you to hidden gems in each ethnic neighborhood you'll find Hindu and Buddhist temples and Islamic mosques mixed in with modern high-rises, colonial architecture, and even a real-live rain forest still growing at the edge of the urban area.

In Malaysia, we'll take you beyond bustling Kuala Lumpur to discover beach resorts; the colonial architecture and amazing dining scene in Penang; idyllic islands; traditional villages; and great opportunities to shop for Malaysian handcrafts. We'll even visit Borneo, where rivers meander through dense tropical rain forests, beaches stretch for miles, and caves snake on for miles. In the many national parks that protect this spectacular jungle, you'll meet tiny deer, tinier owls, monkeys, and the increasingly rare orangutan. Experience all the adventure with Frommer's in hand, knowing you can rely on us for accurate information, practical advice, and useful maps.
