<<CONFLICT OF INTEREST>>

内容概要

Nancy Taylor Rosenberg is one of the most recognized names in the thriller genre. Her latest offering , Conflict of Interest , is a masterpiece of suspense a complex and profound novel featuring a veteran female district attorney attempting to reconstruct her shattered personal life when she is suddenly plunged into a moral , legal , and emotional nightmare. While trying three defendants for robbery , Joanne Kuhlman discovers a far more serious crime may be unfolding. One of the defendants is developmentally disabled. His attorney and mother insist he was cruelly exploited by his crime partners. When the young man disappears , Joanne fears he may have been murdered in a ruthless act to silence him. Her sympathies for this defendant lead
