<<家装布置Complete Home >>

内容概要

Is your home a storage nightmare? Well, there's no need to despair any longer. With step-by-step directions, hands-on instructions, and valuable insights and tips that show you how to find storage space for all your belongings, The Complete Home Organizer gets you started and then helps you maintain an organized home. This comprehensive guide is filled with more than 250 color photographs and questionnaires, lists, and diagrams that will have you looking at your home--and all the unused, available storage space it contains--in a new and creative light.
