<<Wine Report 2007 (平装)>>

内容概要

The essential insider's guide to the world of wine, Wine Report 2004 provides readers with the latest information from every wine region, including hot tips on recent vintages and the best bargains. Helpful Top 10 lists, local prices, and good wine investments make this book a must for every wine enthusiast who wants to keep up with the constantly-changing (and sometimes daunting) world of wine. --This text refers to an out of print or unavailable edition of this title.
