<<画脸 Face Painting>>

内容概要

Face Painting is a fantastic book, full of the exciting, funny and spooky characters you might meet at a Halloween party or Mardi Gras carnival. It covers all of the face painting skills that you will need to know and has a wealth of creative designs - from a fearsome space monster to a glittery peacock, a magical wizard and even a graceful giraffe! Illustrated with superb colour photographs, Face Painting is packed with useful face painting tips and clear, practical instructions to help you to create a pretty pink pig or a frightening vampire. All of the faces are easy to achieve so you can be the creature of your choice whenever you wish.
