## <<101种手工制作 101 Things>>

### 内容概要

101 Things to Make and Do is guaranteed to keep creative kids busy. There are lots of great projects to choose, from fantastic gifts, impressive models and tasty food ideas to toys and games you can make and then use over and over again. All the crafts use easy-to-obtain materials or recycled objects, and every project has clear illustrated step-by-step instructions to ensure success and make this book a lasting family favorite.
