<<每日一道菜>>

内容概要

There is something very special about a home-baked sweet treat, and when it comes encased in a pretty individual paper case, it is even better! You will find wonderful recipes in this book for muffins and cupcakes as well as biscuits, bars and traybakes. Whether you are looking for simple, nutritious treats for the children's lunch boxes, sumptuous, original ideas for a celebration or just a little indulgence to go with your morning coffee or afternoon tea, there is something just right for the occasion here!
