内容概要

Tapas is something of a recent innovation but now it's here, it's here to stay. And with good reason - it's a lovely way to eat, relaxed and sociable and carrying with it a hint of the traditional Spanish unhurried way of life. This book has a selection of the very best tapas recipes to inspire you to try this unique cuisine. Whether you are looking for some exceptionally tasty nibbles to serve at a drinks party, or ideas for a whole lunch or supper based on tapas, there is something here for you.
