## <<简单易做家庭餐Simple - Ess>>

### 内容概要

Next time the family asks "What's for dinner?" you will have the answer at your fingertips. In fact, with *Gijcstial Family Favorites* you will have literally hundreds of answers. Packed with great recipes for all courses and occasions and every taste and age group, this inspiring cookbook deserves a place in every family kitchen. Whether you are planning a family celebration, looking for a quick and easy midweek meal, treating your children to sticky cakes, need a fast and nutritious snack, or simply want something different for a change, just leaf through these pages and you will be spoiled with so many choices.
