<<烤品 Toast it!>>

内容概要

A simple fast-food favorite of a tasty comfort snack, toast is always a sure-fire winner for a quick meal or more substantial hearty lunches. All sorts of breads can be toasted, topped, or filled in different ways, and this mouthwatering collection will provide plenty of delicious ideas. For breakfast, a laid-back lunch, family brunch, or as a stylish starter, this book is packed with tantalizing toasts to delight and inspire.
