## <<1001 Ideas for Livin>>

### 内容概要

This book gives hundreds of practical examples, extensively illustrated and analysed in detail, to enable you to plan, organise and decorate your home skilfully, whether it is a small loft apartment, a large house or a country cottage. Discover the weak points in your home, learn how to eliminate them and enhance the most outstanding aspects, taking maximum advantage of the knowledge of the best contemporary interior designers and fine examples of their work.
