## <<Ready for School: A >>

### 内容概要

This title enables preschool children to gain familiarity with concepts taught at school. This creative, colourful game makes learning fun. It is aimed at children age 3 and up. This game helps preschool-age children gain familiarity with concepts taught in school. Designed for up to four players, it will also teach children to be patient and follow rules as they play. Children will see that learning can be fun and easy! "Ready for School: A Matching Game" provides lots of practice with the alphabet and colours, shapes and numbers. Children will love learning and practicing using this fun, creative and colourful game.
