内容概要

The Pantry Its History and Modern Uses Catherine Seiberling Pond Photographs by Steve Gross and Sue Daley

The Pantry ponders the history, return and rebirth of the kitchen pantry. With a nod toward the philosophy "a place for everything and everything in its place," author and historian Catherine Seiberling Pond delves into the past, present, and future possibilities of this important room, and finds ways to incorporate a pantry into any home.

Topics include: Food storage solutions What to put in your pantry How to choose the right materials Design and layout of the pantry Display and decor tips How to display dishes and collections

Pantries are one of the most requested features being built into today's homes.
