内容概要

In *Tablescapes: Setting the Table with Style and Flair*, socialite, high-end event planner, and consummate hostess Kimberly Schlegel Whitman shows how to set the stage for special-occasion meals by setting a beautifully creative table with flair and panache. Featuring some of the most exquisite china, silver, and crystal, Whitman shows how she develops decorating themes appropriate for any occasion—from sit-down dinners for a few guests or buffets for many, to bridal and baby showers, holiday dinners with the family, and al fresco parties at the beach. Personalized table coverings are one of her specialties, and this book has a plethora of ideas.
