

<<MRI参数与体位图解手册>>

图书基本信息

书名：<<MRI参数与体位图解手册>>

13位ISBN编号：9781588901491

10位ISBN编号：1588901491

出版时间：2002-11

出版时间：Thieme

作者：Torsten Moeller

页数：207

版权说明：本站所提供下载的PDF图书仅提供预览和简介，请支持正版图书。

## <<MRI参数与体位图解手册>>

### 内容概要

An indispensable companion in the MR suite! Magnetic resonance imaging is a modality that is carried out under highly standardized conditions. Without knowledge of proper patient positioning and setting of parameters on the MR scanner, the quality of resultant images cannot be optimized. This book provides in easy-to-use form the general principles of patient positing in MR imaging, and the appropriate scanning parameters, as used most commonly in hospital departments and practice. The text is organized in a manner that follows the chronological order of examination steps: - preparation for the examination and materials needed; - specifics as to patient positioning and choice of coils; - protocols for carrying out the examination; - examples of recommended MR imaging sequence parameters; - tips and tricks. Besides the classic indications arising from neurological and orthopedic disorders, this book includes positioning information for the entire body and adjunct examinations, including MR angiography and MR cholangiography examinations.

<<MRI参数与体位图解手册>>

书籍目录

Magnetic Resonance Imaging:Head,Neck,Chest Brain and Skull Modifications Ruling Out Bleeding  
 Neurocranium After Surgery ( Tumor ) Inner Ear ( e.g., Acoustic Neuroma ) Epilepsy  
 ( Temporal Lobe Adaptation ) Orbit Sella Soft Tissues of the Neck Chest Modifications Chest  
 MRI with Gd-DTPA MRI of the Chest Wall and Mediastinum Sternum Modifications Contrast  
 MRI of the Sternum BreastMagnetic Resonance Imaging;Abdomen,Pelvis Upper Abdomen/Liver  
 Modifications Liver MRI with Superparamagnetic Contrast Agent MRI of the Liver with Gd-DTPA  
 Biliary Tree Small Intestine ( Hydro-MRI ) Modifications MRI of the Small Intestine Pancreas  
 Modifications Biliary Tree and Pancreatic Duct Dynamic Contrast Series Secretin-Enhanced MR  
 Pancreatography Kidney Modifications MR Urography Adrenal Gland Modifications  
 Dynamic Series Pelvis Modifications Uterus, Vagina, Bladder Prostate Pelvic  
 Outlet Measurements ( Sizing the Birth Canal ) TestesMagnetic Resonance Imaging;Bones,Joins  
 Temporomandibular Joint Shoulder Modifications Indirect Arthrography of the Shoulder  
 Upper Arm Elbow Modifications Indirect Arthrography of the Elbow Forearm Wrist  
 Modifications Indirect Arthrography of the Wrist Finger .....Magnetic Resonance  
 Imaging:SpineMagnetic Resonance Angiography
