## 内容概要

This is the only pocket-sized guide to the ever-changing, all-important world of copyrights. Written by attorneys who specialize in the field, this slim volume shows writers, composers, web masters, and other content creators what to do—and what not to do—in order to protect their work from plagiarism and theft. With sample documents and a helpful Internet and government resource guide, *The Pocket Idiot's Guide to Copyrights* covers everything from the current copyright laws to the most effective way to file. • Complex laws explained in layman's language • Complete Internet and government resource guide • Sample government filing documents • Expert, up-to-date advice from attorneys
