内容概要

The most authoritative and up-to-the-moment atlas of the Bible available in the world today. Brings to life the dramatic stories, charismatic people, and intriguing locals of the Bible. Arranged into eight parts: Geography and History of the Bible Lands, Genesis and the Patriarchal Period, The Judges, The Kings, The Prophets and the Righteous, The Conquest of the Kingdoms, The Life of Jesus of Nazareth, and Spreading the Word. Includes information on topography, geology, climate, vegetation, and key physical features of the region. Contains 125 original maps showing prominent locations, journeys, battles, kingdoms, and empires discussed in the Bible, with a comprehensive gazetteer of place names. Incorporates a Bible reference section with informative tables, family trees, a bibliography, and a glossary. Features the very latest archaeological findings and theological research. Written by an international team of writers, distinguished academics, and Bible scholars. Illustrated with more than 650 full-color images, including scenic photographs as well as paintings, drawing, etchings, and sculptures from the world's leading art galleries, museums, and collections.
