## <<When Will It Be Spri>>

### 内容概要

It is Alfie's first winter and his mother tells him he must sleep until Spring, "But when will it be Spring?" Alfie wonders.

Mother Bear tells Alfie it will be Spring when the flowers are out, when the sun shines and when the birds perch on the trees.

And as Alfie curls up for the long winter, he feels sure he will know exactly when Spring has arrived.

But some things aren't always what they appear to be...

This delightful story about the changing seasons will keep children guessing with Alfie.

Just when will it be Spring?
