<<Alison Jay Wheels an>>

内容概要

This is the next title in touch and feel series using Alison Jay's trademark crackle-glazed artwork. It explores the theme of transport through hands-on interaction with a texture on every spread and on the cover. Transport of all kinds zooms to life beneath readers' fingertips in Touch and Feel: Wheels and Wings. Readers can prod a squishy hot-air balloon, feel the rough wood of a rowing boat or the smooth wings of an aeroplane, stroke a galloping horse's mane or a racing car's bonnet and touch a yacht's sail. This is the next in a series of touch and feel books that present Alison Jay's perennially popular artwork in an exciting new format
