<<Alison Jay My First >>

内容概要

Brand new cloth book format featuring Alison Jay's trademark crackle-glazed artwork. Soft cloth book is ideal for introducing books to babies and toddlers. Each page features a new animal, along with their name and the noise they make. Designed to entertain, engage and stimulate development. Introduce babies and toddlers to the bright, detailed world of Alison Jay with this brand new cloth book format. Creatures include a lion, mice, sheep, cows and pets. Young children can play with the book themselves, or grown-ups can stimulate development through an animal names and noises game.
