## 内容概要

This thesaurus was created to make the task of finding the right word easier than ever. Each entry states the core meaning that all of the listed synonyms share. Additionally, each main entry has an example of how the word is used in speech and writing, thus providing additional guidance. An up-to-date reference to the language we use today, this indispensable writing tool is a must for every home, at school, and office bookshelf. \* All new content includes more than 30,000 main entries \* Featuring tens of thousands of synonyms, related words, antonyms, and near antonyms \* Alphabetical arrangement makes lookup easy

## 作者简介

Merriam-Webster has been creating Americas best-known dictionaries and reference works to the highest standards of quality and reliability for more than 150 years. The distinguished editorial staff is committed to innovation and scholarship in the ongoing development of dictionaries and other language reference books and electronic media.
