<<Guinness World Recor>>

内容概要

Guinness World Records 2009 continues to build on the intriguing, informative, inspiring and instructional records and superlatives that have made Guinness World Records one of the most famous brands and an annual best-seller around the world. This year, we've created a revolutionary new design and filled it with more records than ever before. And the 2009 edition will have two gatefold spreads and over 20 pages of special records all with 3-D photos, which can be viewed with enclosed 3-D glasses!! Combined with a new, research-tested, eye-catching cover, over 1,000 new records and 100% new photos, this year's edition once again sets out to be the best Guinness World Records book ever!!
