This book constitutes the refereed proceedings of the 6th International Conference on Practical Aspects of Knowledge Management, PAKM 2006, held in Vienna, Austria in November/December 2006.   The 29 revised full papers presented were carefully reviewed and selected from 123 submissions. All aspects of knowledge management and their role in next-generation business solutions are addressed in perspective to business and organisation sciences, cognitive science, and computer science.

Web Service Based Business Processes Automation Using Semantic Personal Information Management Systems - The Semantic Life CaseActivation of Knowledge in an Integrated Business Process Support/Knowledge Management SystemInnovation Management in a Multi-national Corporation's Subsidiary of Ireland's Evolving Knowledge EconomyOntology-Based Business Knowledge for Simulating Threats to Corporate AssetsKnowledge Work Productivity: Where to StartTaba Workstation: Supporting Technical Solution Through Knowledge Management of Design RationaleExtraction and Analysis of Knowledge Worker Activities on IntranetKnowledge Sharing to Support Collaborative Engineering at PLM EnvironmentKnowledge Management Systems and Organizational Change Management: The Case of Siemens ShareNetMeasuring Business Feedback Cycles as Enhancement of the Support Knowledge Engineering ProcessDKOMP: A Peer-to-Peer Platform for Distributed Knowledge ManagementFrom Design Errors to Design Opportunities Using a Machine Learning ApproachText Mining Through Semi Automatic Semantic AnnotationExtended Ontological Model for Distance Learning PurposeA Peer-to-Peer Virtual Office for Organizational Knowledge ManagementMining and Supporting Task-Stage Knowledge: A Hierarchical Clustering TechniqueTowards a Process Model for Identifying Knowledge-Related Structures in Product DataCommon Knowledge Based Access to Disparate Semantic Spaces: The Ontology Switching ApproachA Meta-Model for Intellectual Capital ReportingAssessment of Effective Utilization of KM Technologies as a Function of Organizational CultureStructured Knowledge Transfer in Small and Medium Sized Enterprises......Author Index
